Accessing Information as a Former Employee

After you leave UC Davis or UC Davis Health, you will still be able to access employment information online, including:

- Earnings Statements
- W-2 Tax Statements
- Verification of Employment Letters

If you had your personal email address stored in UCPath, you will receive an email from the UCPath Center with notification that your account was created and instructions on access. If your personal email address was NOT in the UCPath system or you do not receive that email confirmation, please call UCPath Center at 855-982-7284.

Your access will remain in place for three years after your separation date.
